Herbalife Formula 1 Key Message

- A core product for Cellular Nutrition and weight management
- A nutritious meal replacement shake for weight management and overall good health

Formula 1 Instant

What is it?

- The goodness of the Formula 1 you make at home in a water-mixable powder.
- All of the protein, calcium and antioxidants you traditionally get from the shakes

Formula 1 Instant

How does it work?

- A nutritious meal replacement shake for weight management and overall good health
- 10 Seconds to a Healthy Meal!
- Formula 1 Instant can be mixed anywhere
- Just Shake and go!

Formula 1 Instant

Why is it important?

- All-in-one nutrition in a convenient, water-mixable formula
- Higher in protein (20g) and lower in carbohydrates when compared to many competitive products
- Includes the antioxidant/ORAC equivalency of one serving of fruit
- Has a great taste with a smoother, creamier texture than other water mixables
- Lactose-free and dairy-free so it addresses the needs of those who are lactose-intolerant

Formula 1 Instant Herbalife Unique Solution

- Formula 1 Instant mixes with water to provide all in one nutrition
- Provides 20 grams of protein
- Calcium equivalent to 1 glass of milk yet lactose free
- Antioxidant content equal to one serving of fruit
- Cholesterol and wheat free
- Kosher certified

Formula 1 Instant Key Message

- 10 Seconds to a healthy meal
- Convenient for people who are on the go
- Healthier and more nutritious than many convenience foods

Herbalife Formula 2

What is it?

- A daily multivitamin with over 20 essential nutrients and antioxidants, including folic acid, calcium, and iron
- Tablet form

Herbalife Formula 2

How does it work?

- Supplies vitamins and minerals plus select herbs to support healthy weight management, overall good health, and vitality*
- Promotes bone and immune-system health*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Herbalife Formula 2

Why is it important?

- Stress, poor diet, and exposure to pollutants can cause poor health and slow weight loss

Herbalife Formula 2

Herbalife Unique Solution

- Scientifically formulated to nourish your body for optimal metabolism, growth, repair and reproduction at the cellular level* – Cellular Nutrition
- May be a part of a personalized Herbalife program including Formula 1, Personalized Protein Powder, and Cell Activator® for optimal weight management and Cellular Nutrition

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Herbalife Formula 2 Key Message

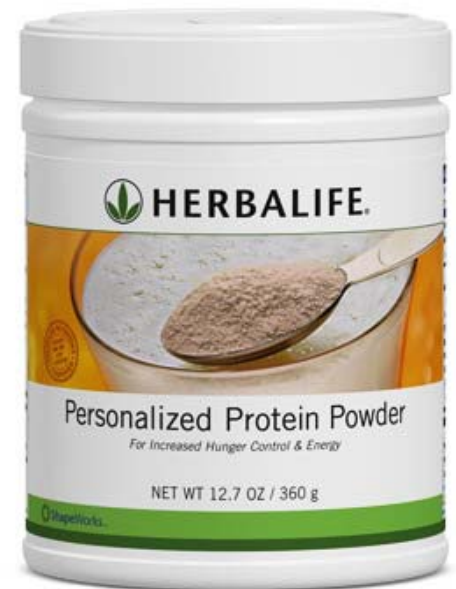

- Promotes healthy weight management and overall well-being
- A core product for Cellular Nutrition

Herbalife Personalized Protein Powder What is it?

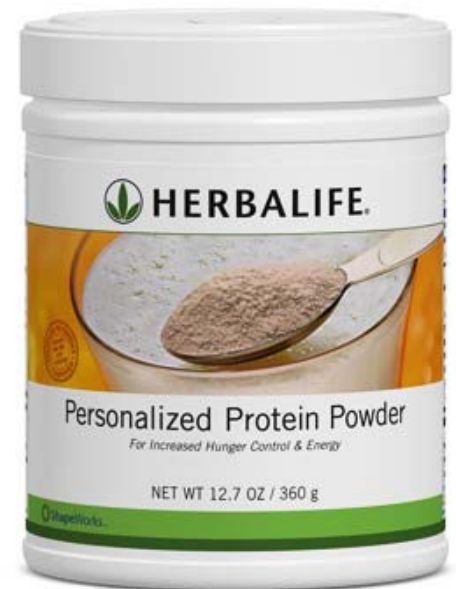

- A fat-free protein supplement for hunger control and healthy weight management

Herbalife Personalized Protein Powder How does it work?

- Soy protein helps control hunger*
- Whey protein helps build and maintain lean muscle mass*

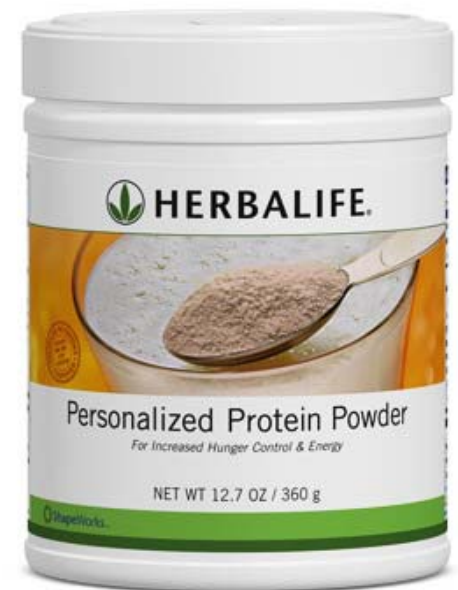

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Herbalife Personalized Protein Powder Why is it important?

- The body needs adequate protein to maintain lean muscle mass, control hunger, and burn fat
- Many dietary protein sources, such as meats and cheese, are high in unwanted fats and calories
- The fat-free combination of soy and whey proteins in Personalized Protein Powder provides good nutrition and helps fight hunger*

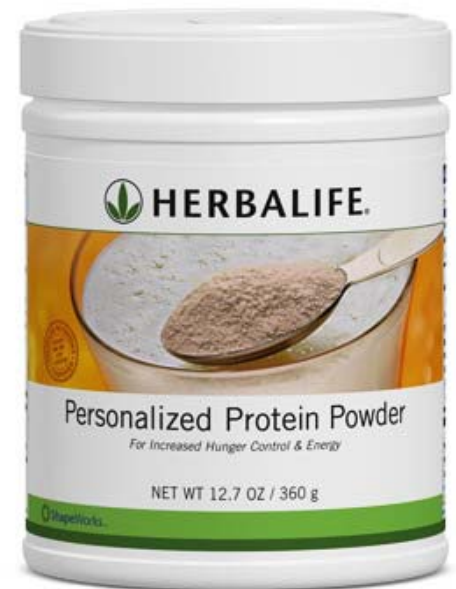

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Herbalife Personalized Protein Powder Herbalife Unique Solution

- Proprietary blend of soy and whey protein with all 9 essential amino acids
- Provides flexibility to customize your protein intake to satisfy hunger and control it throughout the day*
- May be a part of a personalized Herbalife program including Formula 1, Formula 2 and Cell Activator® for optimal weight management and Cellular Nutrition

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

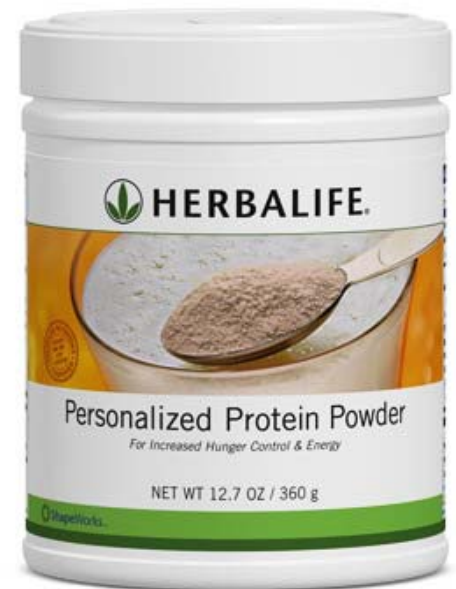

Making the world healthier.

Herbalife Personalized Protein Powder Key Message

- Proprietary blend of protein for personalized weight management, hunger control, and energy*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Cell Activator® What is it?

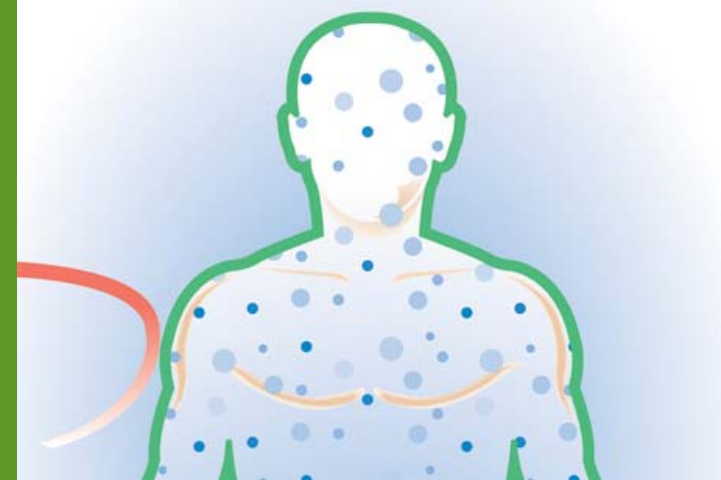

- A select blend of botanicals and essential nutrients to enhance nutrient absorption and support cellular energy production*
- Capsule form

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Cell Activator®

How does it work?

- Aids in the absorption and effectiveness of vitamin and mineral intake*
- Contains Pycnogenol®¹, a patented and potent antioxidant, to help support normal vascular function and healthy glucose metabolism*

¹ Pycnogenol®+ is a registered trademark of Horphag Research Ltd.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Cell Activator®

Why is it important?

- Poor diet, poor digestion, and high levels of stress can damage cells, contributing to fatigue and weakening the immune system
- Cell Activator™ supplement supports cellular energy production and stamina*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Cell Activator® Herbalife Unique Solution

- Scientifically formulated to nourish your body for optimal metabolism, growth, repair and reproduction at the cellular level* – Cellular Nutrition
- Contains a proprietary cellular-metabolic blend for enhanced energy production*
- May be personalized with a Herbalife program including Formula 1, 2, and Personalized Protein Powder for optimal weight management and Cellular Nutrition

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Cell Activator® Key Message

- Enhances nutrient absorption and increases energy to support weight management and overall good health*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
